

Please join NOMA Gallery for the record launch of *afterlight*, the new 10-inch vinyl album by Ishan Clemenco. Released in conjunction with his current exhibition at NOMA Gallery; *Leaving Colours Time*, the album, pressed on yellow vinyl, features a work for “found” piano and a site-specific, binaural recording of vintage Hermes typewriter sound made at Headlands Center for the Arts. The record jacket cover is designed by the artist and includes an offset-printed text insert with liner notes by Dean Smith.
